UNIV-University Courses

Courses

UNIV 105. Keys to Academic Success. 2 Hours.
Surviving and Thriving at UAB: A Freshman Success Course.

UNIV 200. Job Search Essentials. 1 Hour.
UNIV 200 walks students through the basic essentials needed to begin
a professional job search - including career exploration, resume building,
interview prep, elevator pitch, informational interviewing, networking, and
company research. This course is made up of project-based, interactive
activities that will culminate into a final project. This course introduces
concepts that are further developed in UNIV 300 Career Mapping.
Students completing the UAB Career Center curriculum sequence should
start with UNIV 200.

UNIV 203. Connections: The Transfer Student Seminar. 2 Hours.
This two credit course is designed to assist in the successful transition
of transfer students from their previous institution to UAB. The seminar
provides an opportunity for students to get to know the intellectual
community they have joined, while introducing them to campus resources
that will help them succeed at UAB. Each session of the seminar will
address a topic or body of knowledge for the purpose of developing
students as learners.

UNIV 300. Career Mapping: Navigating for Success. 3 Hours.
UNIV 300 is designed for students who want to confirm their career
path, get a jump start on their post-graduation job search, and make a
smooth transition into the professional world. UNIV 300 uses project-
based, interactive activities to help students determine an appropriate
career path, explore career options, perform industry research, build
a professional network, and prepare for the job search by creating an
effective resume and participating in in-person mock interviews. Students
also gain skills in workplace competencies like effective communication,
teamwork, and dealing with feedback. For students unsure of their career
path, UNIV 200 Job Search Essentials is recommended.

UNIV 398. Undergraduate Research. 1-12 Hour.
