

Coordinated Master of Public Administration/ Master of Public Health Program

Total Credit Hours for the MPH:	42
Remaining MPA Program Requirements:	18

Master of Public Health/Master of Public Administration Coordinated Degree

The coordinated Public Health/Public Administration (MPA) degree program is offered through the [UAB School of Public Health](#) and the [UAB College of Arts and Sciences Department of Political Science and Public Administration](#). Students in this coordinated program earn an MPH with a focus in Population Health.

The MPH/MPA degree program provides students with the knowledge base of public health and the skills required to work effectively in a responsible, administrative position in the public sector. Through this coordinated degree program, students in the MPH program can satisfy some of their requirements through courses in the MPA program and vice versa.

Curriculum

Students must complete 30 credit hours in the School of Public Health in addition to the required MPA curriculum requirements. Twelve credit hours from the MPA curriculum are credited toward the MPH degree for a total of 42 MPH credit hours. Students may complete the MPH degree program totally online or through a mix of online and in class experiences.
