

Coordinated Doctor of Optometry/Master of Public Health Program

This MPH/OD coordinated degree program is offered through the [UAB School of Optometry](#) and the [UAB School of Public Health](#). MPH focus courses may be customized to the experience and needs of the student.

Curriculum

Students must complete the MPH Core plus 7 credit hours of MPH focus courses for a total of 30 credit hours in addition to the required OD curriculum requirements. 12 credit hours from the OD curriculum are credited toward the MPH degree for a total of 42 MPH credit hours. Students may complete the MPH degree program totally online, in class, or through a mix of online and in class experiences.
