**Eligibility**

To be eligible to apply for education abroad, a student must:

1. be an enrolled UAB student;
2. be 19 years of age or older (or have parental permission);
3. have at least 30 semester hour credits completed (with 15 semester hour credits at UAB) before travel begins; and

Students need to consult with UABEA before studying abroad to initiate course articulation, the process by which UAB course equivalency is determined for each course to be taken while studying abroad. It is highly recommended that the students contact UABEA to begin the course articulation process at least one month before the application deadline for the selected program. Students who don’t begin the articulation process early enough prior to studying abroad, may not know how, or if, their courses abroad will count toward completion of a UAB degree.

**Grade Posting**

All grades earned while abroad will be posted to the student's UAB transcript and included in GPA calculations. Letter grades are used rather than pass/fail marks. In all cases, students must participate fully in all course activities and meet all stated course requirements. Auditing of any course abroad is not permitted. UB students wishing to participate in the Washington Center internship program, a Non-UAB Program, must receive written permission from their academic department at UAB to enroll in the UAB internship course offered by their department prior to applying to the Washington Center. After permission is granted by the student’s academic department at UAB, but before the start of the internship, the student will enroll in the UAB internship course offered by the permission-granting department at UAB and will be assigned a UAB faculty member who will act as the instructor of record. The instructor will assign a final grade as is normally done for the internship course in that UAB department. The Washington Center also offers courses and seminars, which will not count toward a UAB degree. These other courses and seminars are for enrichment purposes only.

**Changes of Grades**

Requests for grade changes to UABEA must be accompanied by official documentation sent directly from the host university.

**International Student and Scholar Services**

International Student and Scholars Services (ISSS) is committed to providing quality services and programs to retain and support the UAB international community.

ISSS advises foreign students and visiting international faculty and staff in matters of immigration and federal and state taxation, and provides orientation and support programs to facilitate the transition to the UAB and Birmingham community. ISSS also serves as a collaborative resource to facilitate, promote, and strengthen international understanding on campus and throughout the Birmingham community.

International Student and Services also operates the Smolian International House. For additional information, call (205) 934-3328 or visit our Web page at www.uab.edu/international.

**ONE Card**

The UAB ONE Card serves as the official student ID and offers access to a variety of services and resources on and around campus. Students use their ONE Card to enter residence halls and the Campus Recreation Center, attend UAB athletic and cultural events and check out materials from UAB libraries. With their ONE Card, students can enjoy discounts on tickets to a wide variety of on and off-campus events through the UAB Ticket Office. The ONE Card also functions as a debit card, allowing students a convenient and secure way to pay for goods and services at a variety of on campus and local area merchant locations.

General information about the UAB ONE Card, including a list of carding locations, is available at www.uab.edu/onecard. Note: A photo ID is required to have your initial ONE Card made. Questions about ONE Card services can be directed to onestop@uab.edu or (205) 934-4300.

**Parking**

All students who desire to park in UAB student parking facilities must purchase a permit from Parking and Transportation Services. Permits can be purchased by the term or for the full academic year. Fees vary according to lot. Contact Parking and Transportation Services at (205) 934-3513, for details, or visit online at www.uab.edu/parking.
Both the university and the City of Birmingham issue citations in student lots to vehicles illegally parked or not displaying a proper permit. Students are responsible for paying all fines and fees imposed. Any delinquent ticket payments may be added to the student’s account in the Student Accounting Office. If a student accumulates three or more delinquent tickets and/or accumulates more than $45.00 in citations, the student’s vehicle may be immobilized or impounded at his or her expense.

Handicapped spaces are conveniently located throughout campus. A valid handicap permit must be displayed to park in a handicapped space in addition to the applicable parking permit. All state issued handicap parking permits MUST be registered with the UAB Parking Office in order to avoid a citation and park in a restricted UAB lot or deck.
