

UAB Blazer Core Curriculum

Blazer Core Curriculum is UAB's transformative new general education program. Drawing on a multi-year process of feedback and collaboration with faculty, students, administration, and community members, the new Blazer Core Curriculum has been designed to provide students with inspiring opportunities to understand and respond to the opportunities and challenges of today and the future.

Through immersive, interdisciplinary educational experiences that bring the classroom and our fascinating city together, students will have the opportunity to gain foundational knowledge that prepares them for success at UAB, and provides opportunities to develop as innovative thinkers, dynamic communicators, insightful researchers, and reflective global citizens.
