

Department of Music

Chair: Dr. Patrick Evans

The Department of Music offers the Bachelor of Arts degree with a major in Music. Optional concentrations in Music Education (including teacher certification), Music Technology, and Music Therapy are also available in the Bachelor of Arts degree program. Students majoring in other fields may complete a minor in Music or Music Technology and may take music courses as electives. The Department of Music is accredited by the National Association of Schools of Music.

The Department of Music offers instruction at a variety of levels to provide a balanced musical education for a broad spectrum of students. Areas of instruction include music theory and composition, music history and literature, music performance, music education, and music technology. Courses in music theory explore the materials and techniques employed in music composition. History and literature courses present the evolution of musical styles in the context of our cultural heritage, and identify certain works that represent the highest levels of artistic achievement. Performance activities develop individual musical skills through personal creative involvement. Music Education prepares students to teach music at the nursery through high school level. Music Technology explores current developments in computers and their applications to and impact on the creation, presentation, and recording of music. The Music Therapy concentration involves courses in Music Therapy, psychology, and clinical practice. Full updated information is available on the Department of Music web site at www.uab.edu/cas/music.

Mission Statement

The mission of the UAB Department of Music is to enrich the lives of a diverse student body and the surrounding community through the instruction and performance of music. This mission is consistent with UAB's primary purpose as a comprehensive urban university. Further, we contribute to the mission of the UAB College of Arts and Sciences through the development of several of the College's expected skills and competencies: Ethical and Moral Reasoning; Communication; Cultural Competence, and Confidence in the Place of Complexity. Faculty, staff, and students in the UAB Department of Music uphold the University's stated shared values of Integrity; Respect; Diversity and Inclusiveness; Collaboration; Excellence and Achievement; Stewardship, and Accountability.

We are further committed to Equity and Access for all faculty, staff, students, and community partners, including thousands of audience members who attend our public concerts.

Department of Music Student Learning Outcomes

The Department of Music at UAB offers the BA degree in General Music, with concentrations in Music Technology, Choral or Instrumental Music Education, and Music Therapy. The University of Alabama at Birmingham is a full member of the National Association of Schools of Music, a national specialized accrediting agency.

Graduates from the Department of Music will:

- Perform music from a wide range of stylistic periods, genres, and cultural traditions on a primary instrument as a soloist and in varied ensemble settings at a level appropriate to the student's needs, interests, and degree path, and demonstrate keyboard proficiency.

- Hear, identify, and work with the elements of music, which include melody, harmony, form, and rhythm.
- Approach and interpret varied musical traditions with fully integrated aural skills, theoretical analysis, and cultural and historical knowledge.
- Speak and write persuasively about music and its role in society in the 21st century.
- Utilize technology appropriate to the particular concentration in which they have studied.

Additional Student Learning Outcomes for the Music Technology Concentration:

- Music Technology majors will demonstrate knowledge of the principles of and skills in working with studio recording technology, digital audio workstations, electronic and digital synthesis techniques, and multimedia production, utilizing a wide range of industry-standard hardware and software.
- Music Technology majors will demonstrate proficiency in all the competencies that lead to certification in AVID Sibelius and ProTools software.
- Through a semester-long internship, Music Technology Majors will develop an understanding of expectations and requirements of a professional music technologist.

Additional Student Learning Outcomes for the Music Education Concentrations:

- Demonstrate competencies in conducting and musical leadership of an ensemble, including physical gesturing, aural identification of inaccuracies in rehearsal, and pedagogical techniques to correct errors and improve technical accuracy and musical expression.
- In addition to the skills required of all music majors, music education majors will be able to demonstrate functional abilities in voice and on brass, woodwind, percussion, and string instruments found in typical P-12 classrooms.
- Music Education majors will be able to create and lead appropriate class lesson plans, assess effectiveness, and adjust curriculum as needed for the benefit of their P-12 students.
- Music Education majors will have experience with diverse communities of students and be equipped to implement culturally responsive teaching strategies in any educational setting they encounter.
- Music Education majors will be able to advocate persuasively for inclusion of music in state P-12 curricula.
- Music Education majors will pass the national EdTPA certification exam with a score appropriate to teach in public P-12 schools in Alabama.
- Through a semester-long internship, Music Education students will develop an understanding of expectations and requirements of a professional P-12 music teacher.

Additional Student Learning Outcomes for the Music Therapy Concentration:

- Demonstrate competencies in existing music therapy principles and methods of music therapy assessment, treatment, evaluation, and termination for the populations specified in the American Music Therapy Association [Standards of Clinical Practice](#).

- Demonstrate basic knowledge of the causes, symptoms of, and basic terminology used in medical, mental health and educational classifications.
- Demonstrate functional abilities in voice, piano, guitar, and percussion in addition to the skills required of all music majors.
- Demonstrate skill in working with culturally diverse populations.
- Collaborate with practitioners from different disciplines in designing and implementing interdisciplinary treatment programs.

Music Ensembles

Students of all majors are invited to participate in a variety of musical ensembles: Blazer Band, Brass Ensembles, Chamber Singers, Computer Music Ensemble, Concert Choir, Gospel Choir, Guitar Ensemble, Jazz Combo, Jazz Ensemble, Marching Band, Opera Workshop, Orchestra, Percussion Ensemble, Steel Drum Band, Electro-Acoustic Percussion Group, Piano Ensemble, Symphony Band, Wind Symphony, and Woodwind Ensembles. Other ensembles may become available depending on student interest and available resources.

Music Scholarships

The Myrtle Jones-Steele and James Darrell McAnnally Scholarships (piano), the W. Ronald Clemmons Endowed Music Scholarship, the Alys Robinson Stephens Scholarship (any instrument or voice), and other scholarships are awarded each year to qualified music majors. Choral, Opera, Wind Symphony, and Marching Band scholarships are also competitively based and are awarded to any full-time student enrolled in the university for participation in those ensembles. The Music Technology Scholarships, Stevie Wonder Scholarships, and Audiostate 55 Music Technology and Jazz Scholarships are awarded to students in the Music Technology program. Auditions are scheduled throughout the year for award for the next academic year. For an application or further information about music scholarships or any of the programs and activities described above, call the Department office, (205) 934-7376, or visit the departmental web page: <http://www.uab.edu/cas/music/admissions>.

Admittance for Music Majors

Students who wish to pursue a degree in music must first apply for admission to the UAB Office of Undergraduate Admissions. In addition, students must complete an audition before members of the music faculty for admission to the Department of Music. Auditions are scheduled throughout the year. Examinations may also be required to determine the appropriate placement of students within the curriculum. Students should contact the music office at (205) 934-7376 or email uabmusic@uab.edu (%20uabmusic@uab.edu) for specific audition requirements and to schedule a date on which they may complete this requirement. Once the audition is complete, students will be informed of one of three outcomes:

1. Admission to the Department is granted and they may enroll as a music major.
2. Admission to the Department is conditional, in which case they are admitted as a Pre-Music major. Students admitted into this preliminary program have one year to gain full admission as a music major.
3. Admission to the Department is denied.

In the case of number 2 above, students must re-audition in order to gain full admission as a music major. In the event they are not accepted, they will be advised to seek another major within the University. Once fully or conditionally admitted to the Department of Music, students will work

closely with a music faculty adviser and an academic adviser within the College of Arts and Sciences, who will monitor their progress and advise in the selection of appropriate courses. All students must audition during the term preceding the expected entrance date. Admission to UAB does not guarantee admission to the Department of Music.

Music Theory Entrance Exams

All incoming students must take a music theory placement exam upon entering the music program. To sign up for the Music Theory Placement Exam, please contact the UAB Music Office at (205) 934-7376, or by email: uabmusic@uab.edu.

First-Year Music Theory Entrance Exam

All new music students must either pass the placement examination with a minimum score of 70%, or successfully complete MU 100 Fundamentals of Music, with a grade of "C" or higher, before they are eligible to enter MU 221 Music Theory I, and MU 224 Aural Skills I. Students will be notified of the results at least two days prior to the first day of classes.

In preparing to take the entrance exam, students may wish to review the first four chapters in the following textbooks:

- *Tonal Harmony* by Stefan Kostka and Dorothy Payne
- *Music in Theory and Practice* by Bruce Benward

Exceptions:

A. Pre-enrollment Credit

Students who enroll and pass a music fundamentals course from an accredited college prior to enrolling at UAB may enroll in MU 221 and MU 224 A grade of "C" is considered passing.

B. Advanced Placement Exam Exemption (AP Music Theory)

Students who score a "3" or higher on both parts of the AP Music Theory Exam may place out of MU 221 and MU 224; students cannot test out of MU 222, Music Theory II, and/or MU 225, Aural Skills II.

AP exam scores must be sent to the Associate Chair of the Department, Dr. Patrick Evans, (patrick@uab.edu), before the first day of fall classes. Students who fail to send their scores will not be allowed to enroll in MU 221 and MU 224

C. State Schools for the Fine Arts

Students who attend an accredited state sponsored school for the fine arts and pass its "Advanced Placement" music theory class with a grade of "B" may place out of MU 221 and MU 224 and enroll in MU 222 and MU 225 in the spring semester; students cannot test out of MU 222 and/or MU 225

Music Theory Placement Exam for Transfer Students

All transfer students with prior music theory credits are required to take a Music Theory Placement Exam.

For transfer credits to be considered equivalent to Music Theory I-IV and Aural Skills I-IV, courses taken at another college must have included an Aural Skills course. If a separate Skills course was taken, both the laboratory and the related music theory course must have been completed with a grade of "C" or higher. On the basis of placement

exam results, the faculty will place the student in the appropriate course, which may be at a lower level than the student's transfer credits indicate. Students must pass the placement examination with a minimum score of 70%. Students will be notified of the results of the placement exam at least two days prior to the first day of classes.

In preparing to take the placement exam, students may wish to review the following materials according to the last course successfully completed in their theory sequence:

- Theory I: Fundamentals; diatonic harmony; basic part-writing; Roman numeral analysis;
- Theory II: Diatonic harmony; part-writing; Roman numeral and non-chord tone analysis; basic musical form;
- Theory III: Diatonic and chromatic harmony; form and analysis;
- Theory IV: Diatonic and advanced chromatic harmony; form and analysis; late Romantic harmony; modes; 20th-century techniques (12-tone analysis and set theory).

Students may wish to consult the following textbooks:

- *Tonal Harmony* by Stefan Kostka and Dorothy Payne
- *Music in Theory and Practice* by Bruce Benward
- *Form in Tonal Music* by Douglass M. Green

Piano Proficiency

Functional keyboard facility must be demonstrated by **ALL** music majors at UAB. This is accomplished by means of the required Piano Proficiency Exam. **All Music majors are required to pass the Piano Proficiency Exam (MUP 125) before being permitted to enroll in MU 322, Music Theory IV.** This may be accomplished by passing the proficiency exam upon entering UAB, or by taking two semesters of Class Piano (MUP 124) and successfully completing the proficiency exam requirements in the context of the course. Up to three semester hours of credit earned in Class Piano may be counted toward general electives.

Piano Proficiency Examination Requirements

Purpose

To demonstrate functional keyboard skills at a level appropriate for students majoring in Music, Music Technology, or Music Education.

Procedure

All Music, Music Technology, and Music Education majors must pass the Piano Proficiency Examination by the end of their third semester of study as a UAB Music Major. Students with considerable experience in piano may be allowed to take the examination during their first term without enrolling for Class Piano. In the event they are not successful, they should enroll in Class Piano until the proficiency exam has been passed. All other students should enroll in Class Piano and continue enrollment until the exam has been passed. Students should plan to pass the Piano Proficiency Examination at the end of their third semester of music study at UAB. **All Music majors are required to pass the Piano Proficiency Examination MUP 125 before being permitted to enroll in MU 322 Music Theory IV.** Proficiency examinations will be scheduled during the final examination week of each semester. The instructor of MUP 125 and two other faculty members will administer the exam. Students wishing to take the proficiency exam must contact the instructor at least one week before the last day of classes to schedule a time and place for the

exam. The exam will be approximately fifteen minutes in duration and will cover examples from the areas listed below. The examination may be attempted once each semester until it is passed. **Music Education majors cannot enter the TEP (Teacher Education Program) without first completing this requirement.**

Students have two options leading to the completion of the Piano Proficiency requirement.

- Incoming freshmen will be advised to enroll in class piano in their first semester. Passing the final exam of the second semester (advanced) course will count as passing the piano proficiency exam. They must still register for the piano proficiency exam for zero credit for transcript purposes.
- Students may elect to take the piano proficiency exam in August, December, or April, without enrolling in the class piano sequence. If they pass the exam, they are not required to take class piano at all. If they do not pass the exam, they must enroll in the two-semester sequence and pass the second-semester exam.
- Transfer students who have a documented piano proficiency exam pass (either transcript or letter from department chair) will not be required to take the exam or the class.
- Transfer students who have not passed a proficiency exam, even if they have taken some class piano, must take the UAB piano proficiency exam in August. If they pass the exam, they have met the Piano Proficiency requirement; if not, they must enroll in either the two-semester sequence, or the second semester, depending on the results of the exam.
- In all of the above circumstances, the student must register for MUP 125 (zero credit) for transcript purposes.

Required Skills

The student is expected to demonstrate proficiencies in the areas of sight reading, performance, technique, and related functional skills including transposing and improvising simple accompaniments.

- Sight-reading of song arrangements and/or simple solo piano literature such as a selected example from Chapter 5, pages 195-219 in *Progressive Class Piano* by Elmer Heerema.
- Performance:
 - Two patriotic songs: *America* and *The Star-Spangled Banner*. Music may be used.
 - A solo selected from the following list or from repertoire of comparable difficulty (memorization optional).
 - J.S. Bach - *Little Preludes*
 - Clementi - *Sonatinas*
 - Schumann - *Album for the Young*
- Technique:
 - All major and white-key harmonic minor scales (i.e., minor scales with the tonic of A, B, C, D, E, F, or G): Two octaves in parallel motion, hands together.
 - All major and white-key minor arpeggios: Two octaves, hands together.
- Functional Skills:
 - Accompaniment improvisations (see *Progressive Class Piano*; each chapter contains sections on harmonization and improvisation).
 - Transpose a simple accompaniment or song at sight (see *Progressive Class Piano*, Chapter 5 pages 195-204 for examples).

- Play the progression I-IV-I $\frac{6}{4}$ -V⁷-I hands together in all major and white-key minor keys.

Performance Attendance Requirement

All Music majors are expected to attend Music Department concerts and programs, and are required to attend a minimum of 15 events per term. To satisfy the Department's performance attendance requirement, all music majors must enroll in and successfully complete MUP 001 every term of enrollment, except during the term of the capstone experience (seven terms). A grade of P (pass) or NP (not pass) will be assigned accordingly for a student's attendance at concerts, Music Convocation, Department-sponsored lectures, and other events approved previously by the Department. For more specific information concerning the Performance Attendance requirement, students are urged to consult the Department of Music's Student Handbook.

Clarification for students that enter the UAB Department of Music as freshmen:

- Once you have passed Performance Attendance for a total of seven terms, your PA requirement is complete.
- You are not required to register for PA during your capstone semester.
- You are only required to register for PA during the fall and spring semesters; summer registration is not required. Summers may be used to "make up" a term if needed, but it should be noted that successful completion during summer terms is more difficult.

Clarification for transfer students and students who change major to Music:

- If you enter UAB with no Performance Attendance credits from another approved institution, you must enroll for and successfully complete PA every semester (fall and spring) you are a Music major at UAB. For example, if you are a UAB Music major for five semesters (including your capstone semester), you must pass PA four terms.
- If you enter the UAB Department of Music with one or more credits in Performance Attendance from another approved institution, you must still pass PA for each semester (fall and spring) you are a Music major at UAB, except for the capstone semester.
- You are not required to register for PA during your capstone semester.

Ensemble Participation Requirement

Students in the B.A. degree program in Music are required to participate for credit in at least one music ensemble per term for a minimum of seven terms. To fulfill the participation requirement, instrumental students must enroll in an instrumental ensemble, and vocal/choral students must enroll in a vocal/choral ensemble. At least six of the seven terms of the required ensemble participation must include involvement in one of the following major ensembles: Concert Choir, Marching Band, Wind Symphony, Symphony Band, and Orchestra. Other ensembles may be considered major ensembles, but only for students whose major instrument is listed here: Jazz Ensemble (Bass, Bass Guitar, Guitar, and Piano), Guitar Ensemble (Bass Guitar, Guitar), and Piano Ensemble (Piano). All other ensembles are considered minor ensembles. Credit earned in excess of the seven semester hour minimum requirement stated above may be applied toward electives.

Students in the Music Technology program may fulfill up to four of their required ensemble hours in Computer Music Ensemble or the UAB Jazz

Ensemble. The remaining three hours must be in the major ensembles named above. Music Technology majors must enroll for at least two semesters in Computer Music Ensemble. Music Technology majors with principal performing instrument of guitar, bass guitar, piano, drum set, or percussion may satisfy the major ensemble participation requirement by enrolling in a UAB jazz combo or UAB Jazz Ensemble. Music Technology majors with principal performing instrument of saxophone, trombone, or trumpet may satisfy the major ensemble participation requirement by enrolling in the UAB Jazz Ensemble or Computer Music Ensemble for up to four semesters. The remaining three hours must be in the major ensembles named in the preceding paragraph. Music Technology Majors are required to take a minimum of two semesters in Computer Music Ensemble.

Clarification for students that enter the UAB Department of Music as freshmen:

- Once you have earned credit in ensembles as stated above for a total of seven terms, your ensemble participation requirement is complete.
- You are not required to register for an ensemble during your capstone semester.

Clarification for transfer students and students who change major to Music:

- If you enter UAB with no ensemble credits from another approved institution, you must participate for credit every semester (fall and spring) you are a Music major at UAB, except for the capstone semester.
- If you enter the UAB Department of Music with one or more ensemble credits from another approved institution, you must still participate for credit in an appropriate ensemble for each semester (fall and spring) you are a Music major at UAB, except for the capstone semester.
- You are not required to register for an ensemble during your capstone semester.

Music Capstones

UAB policy states: "Freshman students entering UAB in fall 2009 or after, must successfully complete the capstone course or experience required by their major program or school in order to graduate. All students graduating in 2013 or later must complete a capstone requirement." This UAB policy is fulfilled by the Music Education and Music Technology internships for music majors with those concentrations. All other Music majors should complete MUP 497, Senior Recital/Project, during their last semester.

Teacher Certification

Students who wish to prepare for careers as music teachers in schools at the pre-college level will need to complete the requirements for the professional teaching certificate issued by the Alabama Department of Education. These requirements are met by completing the curriculum for the Bachelor of Arts in Music Education degree. Because the Alabama State Board of Education frequently changes or adds teacher certification requirements, it is essential that students stay informed about current certification requirements. Therefore, **Music Education majors are required to meet with their Music adviser and an adviser in the School of Education before registration *each semester*.**

The Alabama teaching certificate is issued for two teaching fields in music: instrumental music and vocal/choral music, both valid for kindergarten through grade twelve. Students in any of the teacher certification areas in Music Education are required to earn credit in at

least one music ensemble per term for a minimum of seven terms. In fulfilling the participation requirement, instrumental students must enroll in an instrumental ensemble and vocal/choral students must enroll in a vocal/choral ensemble. At least six terms of the required ensemble participation must include involvement in the appropriate Major Ensemble (see above). Credit earned in excess of the minimum semester hour requirements for ensembles may be applied to music electives within the general studies portion of the teacher certification program.

Minor in Music or Music Technology

The minor consists of 26 semester hours of coursework in music. Students who minor in Music or Music Technology should have some prior musical experience and **must audition** on their performing instrument. Music courses in which a grade below C is earned may not be counted toward the minor. Minors are encouraged to participate in music ensembles throughout their academic program. Students should contact the music office at (205) 934-7376 or email uabmusic@uab.edu for specific audition requirements and to schedule an audition.

Transfer Students

A student may not apply more hours of transfer credit toward any requirement for a major or minor in music than are awarded for the equivalent courses at UAB. Excess hours in any required area may be applied as electives. Music majors must complete at least nine semester hours in music at UAB. Minors must complete at least six semester hours in music at UAB. See the section of the catalog titled "Completion of a Degree" for additional residency requirements.

The stated requirements for majors and minors in music are intended to assure a balanced academic program. In evaluating transfer credits, therefore, course content as well as the number of credits in particular areas must be considered in order to determine whether courses taken at other colleges satisfy UAB requirements. To be considered equivalent to Music Theory I–IV and Aural Skills I–IV, courses taken at another college must have included "aural skills." If a separate "theory laboratory" was taken, both the laboratory and the related music theory course must have been satisfactorily completed. Transfer students will be required to demonstrate by examinations, auditions, and other means that their current knowledge and skills meet expected standards. Auditions will be required to determine placement in applied music courses and conducting. Transfer students majoring in music will be required to pass the UAB Piano Proficiency Examination unless written verification is provided from the appropriate official at the former college which shows that they have passed an equivalent examination at that institution.

Music majors who transfer to UAB and students who change their major from another field to music may either:

1. Complete the normal ensemble participation requirement for their degree program.
2. Participate in an ensemble during each term they are enrolled as a music major at UAB, with no fewer than three terms of participation in UAB ensembles.

In either case, the semester hour ensemble requirement must be met by transfer and/or UAB credit. Students must be officially enrolled in an ensemble in order to fulfill the participation requirement.

Music majors who transfer to UAB and students who change their major from another field to music may either:

1. Complete the normal performance attendance requirement.
2. Enroll in and successfully complete MUP 001 during each term they are enrolled as a music major at UAB, with no fewer than three terms.

Courses transferred from a two-year college cannot be used to satisfy requirements for work at advanced levels (courses numbered 300 or higher). No more than 60 semester hours may be transferred from a two-year college.

Scheduling of Courses

Certain music courses are offered one time each year or once every two years, according to a Department plan. A copy of this plan may be obtained from the Department of Music. Several courses are offered irregularly, according to need.

Academic Advising

Each music major is assigned a Departmental academic adviser. The student **MUST** meet with his/her adviser before registering for classes each semester. **Music Education majors must also meet with an academic adviser in the School of Education each semester.**

Music Honors Program

Purpose

The Music Honors Program is designed for highly talented, self-motivated students majoring in music. Through individual instruction and mentoring by the student's applied faculty member, he/she will present a full public recital on his/her major instrument or present a series of original compositions. In the Department of Music this program is also referred to as the Young Performing Artists Program.

Eligibility

Acceptance to the Music Honors Program requires the student to:

- Be a music major.
- Be of at least sophomore standing in music.
- Be admitted to 300-level private lessons.

- Earn and maintain an overall GPA of 3.0 and a minimum cumulative GPA of 3.25 in all music courses.

Requirements

- Have permission of his/her applied instructor.
- Be recommended and accepted to the program by members of the music faculty by way of an end-of-semester jury.
- Present a 30 minute (junior year) and/or 1 hour (senior year) preliminary recital before the music faculty. Permission from the faculty must be granted before proceeding to a public recital.
- In consultation with the applied teacher, arrange and program a recital, write program notes, and assemble the program.
- Present a 30 minute (junior year) and/or 1 hour (senior year) public recital.

Benefits

Students will receive valuable individual attention and a public recital sponsored by the Department of Music. On most occasions, the performance is accompanied by a professional accompanist and is recorded onto compact disc. This recording is of great use to students when they are applying for music positions, graduate schools, fellowships, and assistantships. Students who complete the program will graduate "With Honors in Music."

MUP 342. Commercial Music Ensemble. 1 Hour.

Open to ALL UAB students though audition, the UAB Commercial Music Ensemble provides a unique and structured environment for students to learn about performing in a professional commercial music ensemble. The ensemble will consist of a rhythm section (2 keyboards, drummer, percussionist, bassist, and two guitarists), background singers, lead vocalists, horn section (alto sax, tenor sax, trumpet, trombone, and baritone sax), and four dancers. Music performed by this section of the CME will come from Billboard-charting hits ranging from musical genres such as Pop, R & B, and Country. Students must successfully pass an audition and be chosen for the ensemble before being allowed to register for the course. Please contact the ensemble director, Craig Brandwein, at craigbrandwein@uab.edu or (205) 996-0640, for further information about audition requirements, time, and location. For Music major degree requirements, MUP 342 is classified as a MINOR ensemble.
