Mission

The mission of the UAB Office of Education Abroad (UABEA) is to administer, establish, and send UAB students on high-quality education abroad opportunities to prepare them for success in the globalized world.

Education Abroad

The Office of Education Abroad is a member of the Forum for Education Abroad (Forum), Institute of International Education, and Association of International Educators (NAFSA). The Office of Education Abroad strives to meet the Forum's [Standards of Good Practice for Education Abroad](#), 6th Edition, and [Code of Ethics](#).

Pursuant to our mission, UABEA engages in the activities described below.

- **Study Abroad:** Take courses for which academic credit is received and transferred to UAB on our supported study abroad programs. This includes academic credit for student exchanges, UAB affiliate programs, and faculty-led programs that feature traditional classes, research, service learning, internships, volunteerism, shadowing, clinical rotation, and observations.
- **International Internships, Research, & Service-Learning:** Take courses for which academic credit is received and transferred to UAB on our supported study abroad programs. These opportunities are designed to enhance your resume with hands-on experiential learning abroad and offer credit-bearing outcomes.
- **Virtual/COIL Experiences:** UAB students may participate in a variety of virtual/remote learning experiences, which vary from COIL courses, group internships, part/full time internships, and remote academic courses. Explore these opportunities to immerse yourself in a virtual remote experience while earning academic credit at UAB.
- **Student Organizations Abroad:** Travel abroad as part of a UAB student organization; including Outreach Abroad, Outdoor Pursuits, artistic performances, athletic activities, or other student organization travel. Our office can help students register travel with the university, obtain the necessary [education abroad insurance](#), and prepare for travel.
- **Student Conference Travel Abroad:** Present at or attend a conference that takes place abroad as a UAB representative. Our office can help students register travel with the university, obtain the necessary education abroad insurance, and prepare for travel.
- **Passport Office:** Apply for a passport conveniently on campus. As an official U.S. Department of State Passport Acceptance Facility, we are happy to accept passport applications for students, employees, and members of the community. Our passport service is open to the public.

Eligibility

To be eligible to apply for our programs, one must:

1. be an enrolled UAB student;
2. be 18 years of age or older (or have parental permission); and
3. be in good academic, disciplinary, and financial standing with UAB.

Some programs have additional eligibility requirements, such as GPA minima, listed on the individual program webpages.

Students may petition to the Associate Director of Education Abroad for a possible exception to the eligibility criteria.

Grade Posting

All grades earned while abroad will be posted to the student's UAB transcript and included in GPA calculations. Letter grades are used rather than pass/fail marks. In all cases, students must participate fully in all course activities and meet all stated course requirements. Auditing of any course abroad is not permitted. The process of grade posting varies depending on the program type.

UAB Exchanges

Students earn direct UAB course credit. Courses taken on student exchanges will begin with IN ("International" indicating that the course took place at an international UAB exchange location) and a two-letter subject code such as ME (Mechanical Engineering), GN (German), SP (Spanish), etc. to indicate the subject that was studied. Additionally, each of the courses are numbered. All courses are variable in the number of credit hours students can receive based upon their enrollment at the host university. INxx courses are repeatable. INxx courses include:
