

# Specialized Programs

---

Not all Honors College students choose a personalized pathway — some find a perfect academic fit in one of our three specialized honors programs. **The Global and Community Leadership Honors Program**, **Science and Technology Honors Program**, and **University Honors Program** lay out a curriculum of courses and experiences to thoroughly explore global leadership, science and technology, or interdisciplinary arts and sciences.

Once students have been admitted to the UAB Honors College, they may apply to one or more of the specialized programs. Admission to these programs is competitive, and students must submit an additional program application by the published deadline.
