This collection dates from the mid-14th century to the early 20th century and includes a core of world-renowned medical classics with important concentrations on medicine in the Civil War, the South, and early Americana. UAB Archives is the official repository for the permanent records of the University and for archival collections held by UAB. One collecting area of manuscripts is the history of the health sciences, but the repository preserves collections with a wide variety of topics. The Alabama Museum of the Health Sciences preserves over seven hundred years of medical history with instruments, specimens, equipment, and pharmacology used by health care professionals throughout the world, with a special emphasis on material used on and around the University of Alabama at Birmingham campuses. Math Learning Lab

Located on the second floor of Heritage Hall, the Math Learning Lab offers free tutoring in basic and intermediate algebra, pre-calculus algebra and trigonometry, business calculus, finite mathematics, elementary statistics, and calculus I, II, and III. One-on-one tutoring and homework help are available with no appointment necessary.

Student Housing and Residence Life

Student Housing facilities include a suite-style residence hall, two semi-suite style residence halls, and four apartment-style residence halls. Student Housing is centrally located on campus and is within walking distance of all classroom buildings, libraries, campus dining facilities, the Medical Center, and the Campus Recreation Center and other student recreation facilities.

Student Housing is limited to full-time undergraduate students who are admitted to UAB and who are in good standing. “Good Standing” means not on academic or disciplinary suspension. A full-time undergraduate student must be registered for at least 12 credit hours throughout the entire academic year. The summer term is treated under a separate contract. Students will be required to satisfy these eligibility standards throughout the term of their Student Housing Contract and to inform Student Housing and Residence Life of any changes in status, which may affect eligibility. All first-time freshmen who graduated from high school the same year as, or the year prior to their first semester at UAB are required to live on campus for the entire academic year. If a student feels they have extenuating circumstances that might warrant an exemption, they may request exemption by completing the form online.

Residence Life Coordinators and Resident Assistants (RAs) serve as live-in professional staff and student leaders within the residence halls. The Residence Life Program consists of educational, cultural, recreational, and social events based on the needs and interests of the residents. In addition to planning these programs, trained staff members are available to answer questions, make appropriate referrals, and assist residents with personal or academic problems.

Since housing at UAB is limited, students should apply as early as possible, particularly if on campus housing is desired for the fall semester. Submitting a Housing Application does not guarantee a space for fall. Every effort will be made to inform applicants of availability. Applications should be completed on-line. For first time applicants a $25 non-refundable application fee is due along with a $250 prepayment of the room fees for the fall term. Returning residents are also required to submit a $250 prepayment at the time of application. All Student Housing rooms are assigned on a first come, first served basis.

Any questions or concerns may be directed to studenthousing@uab.edu or by telephone at (205) 996-0400. You can also visit the Student Housing Residence Life website for additional information and resources at uab.edu/housing.

Students commonly visit to get help with understanding a writing assignment; brainstorming ideas; developing outlines and claims; understanding and applying instructor feedback; and revising and editing complete drafts. While UWC tutors do not edit for students, they can help students identify their common errors and develop stronger editing processes.

In addition to one-on-one sessions in the Sterne Library location, the UWC offers online consultations for students enrolled in online courses; Ask-a-Tutor, an email service for short writing questions; and regular workshops on topics of common interest. To make an appointment, visit the UWC's website and log onto the online scheduling system with your Blazer ID and password. The goal of DSS is to provide a physically and educationally accessible university environment that ensures an individual is viewed on the basis of ability, not disability. DSS staff members work individually with students to determine appropriate accommodations. To be eligible for services, students need to complete an application, submit documentation of their disability and meet with our counseling staff.

For more information, contact Disability Support Services at (205) 934-4205 (voice) or 934-4248 (TTY) or http://www.uab.edu/students/disability/ E-mail contacts are welcome at dss@uab.edu.

The University of Alabama at Birmingham is located in the central business district of Birmingham offering multiple transportation options. On-campus and nearby housing make walking, bicycling, and on-campus transit convenient. Public transit, carshare, private transportation providers, and personal automobiles make longer trips accessible. Regional and national transportation options help expand connections to much of the world and planned innovative transportation projects are increasingly making it easier to get to, from, and around UAB regardless of your travel preferences.

On-Campus Transportation

Walking and Bicycling

With a relatively flat, compact campus, many popular destinations are convenient to UAB and most trips to and from classes will be made on foot. In the United States, the average pedestrian commute is one-mile with the average bicycle commute approximately three miles. The UAB campus footprint is under 1.5 miles wide. UAB Housing and Residence Life and Off-Campus Student Services are able to assist students in identifying nearby on- and off-campus housing options. Apps such as Rave Guardian and other services below help make walking and bicycling easier and safer. Students and employees wishing to register their bicycle for free will also receive a bicycle helmet and u-lock.

Blazer Express

Blazer Express provides transit service throughout the University campus. With a valid UAB One Card, students, employees, and authorized visitors can enjoy fare-free bus transportation along six designated routes. Buses are ADA-accessible and can seat up to 35 riders. Bus service is provided Monday-Friday from 5:30 a.m.-12:00 a.m. Routes, stops, and real-time location of buses may be found online at through the DoubleMap smartphone app.

Blaze Ride and Safety Escort

For trips within the UAB footprint, Blaze Ride offers daytime transportation for students and employees with limited mobility, while Safety Escort provides late-night service to all students and employees. Safety Escort service is available seven days a week from 9:00 p.m.-5:30 a.m. by calling (205) 934-8772. Access to Blaze Ride is limited to students gaining eligibility through Disability Support Services and employees registering with the AWARE Program. Blaze Ride is available from 7:30 a.m.-7:30 p.m. by calling (205) 975-7433. Rides for both services may also be requested through the TapRide smartphone app.

Car-Sharing

Car-sharing allows students and employees to forgo the cost of buying, insuring, fueling, maintaining and parking a private automobile. Essentially a short-term car rental, local and international students with a valid license as young as 18 years old pay only for the time and vehicle miles used. Car-sharing at UAB is provided by Zipcar.

Public Transit and Other Providers

Public transit is provided by MAX Transit, Birmingham On-Demand, and CommuteSmart. Other transportation providers include ride-hailing and carpool ride-matching apps, while future transportation innovations such as bus-rapid transit and micro-mobility are planned to launch.
MAX Transit

Local public bus service is provided by MAX Transit. Discounted passes are available from the UAB One Stop with over thirty bus routes serving the metro Birmingham area. Real-time bus tracking is available from the myStop Birmingham app with trip planning available from most major mapping apps.

Birmingham On-Demand

The City of Birmingham has partnered with Via to provide the shuttle van service, Birmingham On-Demand. These trips are similar to other ride-hailing apps except using branded vans, paid drivers and with lower-priced trip costs and a more limited service area.

CommuteSmart

CommuteSmart, a program of the Regional Planning Commission, provides a subsidy for vanpooling and incentives to anyone choosing to walk, bicycle, take the bus, carpool, or work from home. Carpool participants can receive online ride-matching and all participants must log their commutes to receive incentives. Visit CommuteSmart for more information about vanpooling, ride-matching, and incentives.

Regional/National Transportation

The City of Birmingham is served by the Birmingham-Shuttlesworth International Airport (BHM) with direct and indirect flights connecting to most domestic and international destinations. Ride-hailing and taxi apps are available for transportation to and from BHM. Groome Transportation offers airport shuttle service picking up at Blazer Hall and dropping off at Hartsfield-Jackson Atlanta International Airport (ATL). Other regional transportation providers include Amtrak train service and bus service from Greyhound and Megabus, all accessible from the Birmingham Intermodal Facility.

Other Providers and Upcoming Innovative Options

Innovative transportation options are consistently launching in the city offering on-demand car and van service, micro-mobility options, and more. Ride-hailing and similar taxi services operate in and around the Birmingham area. Bus Rapid Transit (BRT) is due to launch in 2022 under the name, Birmingham Xpress. BRT offers the comfort of light rail train service at a lower cost. Partially running on dedicated lanes with signal priority, BRT is expected to make traveling across the city faster and more efficient. Micro-mobility includes electric bicycles and scooters available for shorter trips. The City of Birmingham has drafted a micro-mobility policy with providers expected to launch in the upcoming months.

Parking

For those choosing to bring a vehicle, a permit is required to access student parking. Permits are purchased through the UAB Transportation website with a limited number available each semester. Incoming students may purchase permits as soon as they have been accepted by UAB and created a Blazer ID. Students unable to purchase a permit will need to develop their own transportation arrangements from the options above or other parking providers around town. Once purchased, permits are mailed to the address provided by the student. As such, it is important to regularly update your contact information in the parking system. Parking spaces are available on a first-come, first-served basis to vehicles with the proper permit displayed. Designated spaces are offered for motorcycles, carpooling, and ADA-accessible parking. Students requiring temporary or permanent ADA accessible parking must provide state-issued documentation in the student’s name. A full list of parking policies and regulations are available on our website. Please note that metered street spaces are operated and enforced by the City of Birmingham.

TRIO Academic Services

Fully funded by the U.S. Department of Education, TRIO Academic Services (Student Support Services) offers assistance to UAB's degree-seeking undergraduate students who are either first generation college students (neither parent has a bachelor’s degree), are limited-income, or have a documented disability. The programs seek to increase eligible students’ chances of being retained and graduating from UAB in four to six years. Students can participate in the program from their entrance to UAB as freshmen or sophomores until graduation. The two programs Student Support Services programs described here are Classic SSS and STEM-H (Science, Technology, Engineering, Math and Healthcare majors).
In both programs, priority acceptance is given to first and second-year students who have been accepted for enrollment or who are attending UAB. Students are accepted into the program in the fall and spring (if needed) semesters. New Participant Applications are available from April 1st to the first week of courses in the fall semester of each year. An application can be downloaded by clicking on the link below or can be picked up from our office during our recruitment period. Our office is located at Hill Student Center, Suite 315. Applications are also emailed to TRIO eligible students accepted to UAB between April 1st and July 1st. The application deadline for each year is always reflected on the application. Students are required to be full time and complete a minimum of 27 semester hours with at least a 2.0 grade point average each academic year. Required developmental courses are counted in these 27 semester hours. Students must maintain eligibility for financial aid if needed and participate fully in needed program services.
