Courses

AC 200. Financial Accounting Foundations. 3 Hours.
Ever wondered how businesses keep track of their money, assets, and expenses? Dive into "Introductory Accounting" and unravel the mysteries behind the numbers. This beginner friendly course is your first step into the dynamic world of accounting, designed especially for those who are new to the subject.
Prerequisites: BUS 110 [Min Grade: C]

AC 201. Introduction to Decision-Driven Accounting. 3 Hours.
Ever wondered how businesses make big decisions, like setting prices, choosing suppliers, or evaluating employees? Managerial accounting decisions often have significant business and ethical implications on investors, customers, employees, and other stakeholders. This course will introduce you to techniques and tools for managing such decisions.
Prerequisites: AC 200 [Min Grade: C]

AC 264. Taxation and the Working Poor. 3 Hours.
Students will gain a basic understanding of how certain components of the U.S. federal tax system impact the working poor. The focus will be almost totally on the Earned Income Tax Credit that lifts millions of taxpayers over the poverty level each year. In addition, students will study common misperceptions of those living in poverty, some of the causes of poverty, and barriers to prosperity. The course will consist of readings and discussions and numerous guest speakers that deal with various pieces of poverty, homelessness, food insecurity, education, and other topics in the central Alabama (or statewide) area. Students will complete training in basic income tax return preparation, pass a certification exam, and volunteer at a VITA site preparing tax returns for low-income taxpayers that are eligible for the Earned Income Tax Credit. The course is open to both business and non-business majors and assumes no prior knowledge of accounting or tax. This is a service-learning course. This course meets Blazer Core City as a Classroom Engagement requirement with flags in High Impact: Service Learning and Civic Engagement.

AC 265. Financial Oversight for Not-for-Profit Organizations. 3 Hours.
Students will explore the basics of financial oversight for nonprofit organizations (NPOs) with emphasis on the overall fiduciary duty of the Board of Directors to protect the assets of the NPO. Special emphasis will be placed on cash management. Students will consider the risks for fraud and embezzlement and the steps that can be taken to reduce those risks. Students will work as teams (mentored by a local financial professional) to assess the risk of loss due to weak policies and procedures. Students will identify those risks and make recommendations to mitigate them. This could have a significant impact on the organization, as many NPOs are the target for theft and/or fraud. This is a service-learning course and assumes no prior knowledge of NPOs or accounting/financial controls. It is open to both business and non-business majors.
