Music Education

UAB's Graduate Music Education program consists of a Master of Arts in Education (MAEd) degree in Arts Education for teaching Music (choral and instrumental). This MAEd in Music leads to teacher certification from the Alabama State Department of Education for teaching choral and instrumental music in grades P-12. It consists of an alternative track for teachers seeking initial teacher certification and a traditional track for certified teachers seeking advanced certification.

The Arts Education program in Music is housed in the Department of Curriculum and Instruction (School of Education) and is implemented in collaboration with the Music Department (College of Arts and Sciences). This program's first purpose is to train educators in meeting the evolving needs of learners in grades P-12 within today's rapidly changing society. Its second purpose is to deliver cutting-edge instruction through a standards-based, inquiry-focused approach that prepares educators to use state-of-the-art instructional strategies in their own classrooms. Its third purpose is to ensure that a quality program is available to pre-service within commuting distance of UAB and to in-service teachers across the state of Alabama.

Prospective students should contact the Program Director, Dr. Susan Spezzini, at spezzini@uab.edu (205-934-8357), or the Chair of the Department of Curriculum and Instruction, Dr. Kathleen Clark, at kclark5@uab.edu (205-996-8786), or the Education Coordinator in the Music Department, Dr. Cara Morantz, at morantz@uab.edu (205-996-5827).
