

Materials Science and Materials Engineering

Degrees Offered:	Master of Science in Materials Engineering
	PhD in Materials Engineering
	PhD in Materials Science
Program Director	Vinoy Thomas, PhD
Email	vthomas@uab.edu
Phone:	(205) 934-8450
Website:	https://www.uab.edu/engineering/mme/graduate/ms-materials

Are you passionate about materials innovation for advancing technology? Are you ready for pursuing higher study and research in the materials spectrum? The graduate Materials Science and Engineering programs offer the opportunity to conduct cutting-edge research in the fields of metals and alloys, polymers and composites, biomaterials and healthcare materials and devices, ceramics and glass, and nanomaterials for a wide array of applications.
