University Writing Center

Located on the first floor of Mervyn Sterne Library, the University Writing Center (UWC) is UAB students’ go-to place for writing assistance, whether the task at hand is a Freshman Composition paper, a lab report, or a graduate school application essay. In a friendly and professional one-on-one setting, UWC tutors teach students to use writing to discover, apply, and communicate knowledge in all disciplines. Students commonly visit to get help with understanding a writing assignment; brainstorming
ideas; developing outlines and claims; understanding and applying instructor feedback; and revising and editing complete drafts. While UWC tutors do not edit for students, they can help students identify their common errors and develop stronger editing processes.

In addition to one-on-one sessions in the Sterne Library location, the UWC offers online consultations for students enrolled in online courses; Ask-a-Tutor, an email service for short writing questions; and regular workshops on topics of common interest. To make an appointment, visit the UWC’s website and log onto the online scheduling system with your Blazer ID and password. Like the UWC’s Facebook page and follow the UWC’s Twitter page to stay in touch and find out about upcoming workshops.

To be eligible for services, students need to complete an application, submit documentation of their disability and meet with a DSS staff member.

Explore these opportunities to immerse yourself in a virtual remote experience while earning academic credit at UAB.

The University of Alabama at Birmingham is located in the central business district of Birmingham offering multiple transportation options. On-campus and nearby housing make walking, bicycling, and on-campus transit convenient. Public transit, private transportation providers, and personal automobiles make longer trips accessible. Regional and national transportation options help expand connections to much of the world and planned innovative transportation projects are increasingly making it easier to get to, from, and around UAB regardless of your travel preferences.

On-Campus Transportation
Walking and Bicycling
With a relatively flat, compact campus, many popular destinations are convenient to UAB and most trips to and from classes will be made on foot. In the United States, the average pedestrian commute is one-mile with the average bicycle commute approximately three miles. The UAB campus footprint is about 1.5 miles wide. UAB Housing and Residence Life and Off-Campus Student Services are able to assist students in identifying nearby on- and off-campus housing options. Apps such as Rave Guardian and other services below help make walking and bicycling easier and safer. Students and employees wishing to register their bicycle for free will also receive a bicycle helmet and u-lock.

Blazer Express
Blazer Express provides transit service throughout the University campus. With a valid UAB One Card, students, employees, and authorized visitors can enjoy fare-free bus transportation along designated routes. Buses are ADA-accessible and can seat up to 35 riders. Bus service is provided Monday-Friday from 5:30 a.m.-12:00 a.m. Routes, stops, and real-time location of buses may be found online at through the DoubleMap smartphone app.

Blaze Ride and Safety Escort
For trips within the UAB footprint, Blaze Ride offers daytime transportation for students and employees with limited mobility, while Safety Escort provides late-night service to all students and employees. Safety Escort service is available seven days a week from 9:00 p.m.-5:30 a.m. by calling (205) 934-8772. Access to Blaze Ride is limited to students gaining eligibility through Disability Support Services and employees registering with the AWARE Program. Blaze Ride is available from 7:30 a.m.-7:30 p.m. by calling (205) 975-7433. Rides for both services may also be requested through the TapRide smartphone app.

Public Transit and Other Providers
Public transit is provided by MAX Transit, Birmingham On-Demand, and CommuteSmart. Other transportation providers include micromobility, ride-hailing and carpool ride-matching apps, while future transportation innovations such as bus-rapid transit are planned to launch.
MAX Transit
Local public bus service is provided by MAX Transit. Discounted passes are available from the UAB One Stop with over thirty bus routes serving the metro Birmingham area. Real-time bus tracking is available from myStop Mobile app with trip planning available from most major mapping apps.

Birmingham On-Demand
The City of Birmingham has partnered with Via to provide the shuttle van service, Birmingham On-Demand. These trips are similar to other ride-hailing apps except using branded vans, paid drivers and with lower-priced trip costs and a more limited service area.

CommuteSmart
CommuteSmart, a program of the Regional Planning Commission, provides a subsidy for vanpooling and incentives to anyone choosing to walk, bicycle, take the bus, carpool, or work from home. The City of Birmingham is served by the Birmingham-Shuttlesworth International Airport (BHM) with direct and indirect flights connecting to most domestic and international destinations. Ride-hailing and taxi apps are available for transportation to and from BHM. Groome Transportation offers airport shuttle service picking up at Blazer Hall and dropping off at Hartsfield-Jackson Atlanta International Airport (ATL). Other regional transportation providers include Amtrak train service and bus service from Greyhound and Megabus, all accessible from the Birmingham Intermodal Facility.

Other Providers and Upcoming Innovative Options
Innovative transportation options are consistently launching in the city. Ride-hailing and similar taxi services operate in and around the Birmingham area. Bus Rapid Transit (BRT) is due to launch in 2022 under the name, Birmingham Xpress. BRT offers the comfort of light rail train service at a lower cost. Partially running on dedicated lanes with signal priority, BRT is expected to make traveling across the city faster and more efficient.

Parking
For those choosing to bring a vehicle, a permit is required to access student parking. Permits are purchased through the UAB Transportation website with a limited number available each semester. Incoming students may purchase permits as soon as they have been accepted by UAB and created a Blazer ID. Students unable to purchase a permit will need to develop their own parking arrangements from the options above or other parking providers around town. Once purchased, permits are mailed to the address provided by the student. As such, it is important to regularly update your contact information in the parking system. Parking spaces are available on a first-come, first-served basis to vehicles with the proper permit displayed. Designated spaces are offered for motorcycles, carpooling, and ADA-accessible parking. Students requiring temporary or permanent ADA accessible parking must provide state-issued documentation in the student’s name. A full list of parking policies and regulations are available on our website. Please note that metered street spaces are operated and enforced by the City of Birmingham.
