Admission Requirements

Students declaring their intention to major in biomedical engineering may be classified as pre-engineering majors until they fulfill specific academic requirements. For a complete description of admission and other school wide requirements see the School of Engineering section of the Undergraduate Catalog http://catalog.uab.edu/undergraduate/.

Please print this document and attach it to the Biomedical Engineering Articulation Guide. Together, this document and the articulation guide comprise the articulation agreement for a major in Biomedical Engineering at the University of Alabama at Birmingham.
