Voluntary Medical Withdrawal Policy
The Voluntary Medical Withdrawal policy at The University of Alabama at Birmingham (UAB) establishes procedures to follow when a student suffers from a physical, emotional, or psychological condition that significantly impairs the student’s ability to function successfully or safely as a student. The policy is primarily administered by the UAB’s Student Health Services (SHS) according to the procedures described below.

Academic Impact
Medical withdrawal, when approved, withdraws a student from all courses for a given semester/term. Students are not allowed to medically withdraw from individual courses, with the following exceptions:

1. When a student is enrolled in clinical, physical education, and/or other courses in which the student cannot meet the essential requirements of the course. For example, a student may be assigned to a clinical site that requires standing for an extended period of time and becomes unable to do so due to an injury. The student could medically withdraw from the clinical coursework and remain enrolled in other courses.

2. When parts of a term within a semester have unique start and end dates. For example, the summer semester at UAB includes five separate parts (May Session, Summer A, Summer B, Summer 10-week, and full Summer Term). It would be possible, if approved, for a student to complete coursework in Summer A and to medically withdraw from Summer B. In this example, the student would not be medically withdrawn from the entire summer semester, but rather only from all courses for the Summer B.

NOTE: a medical withdrawal may have an impact on financial aid. Students should discuss the consequences of a medical withdrawal with a Financial Aid Advisor.

Procedures
Medical withdrawal requests are to be used when a documented medical condition affected a student’s ability to attend or successfully complete a course enrolled in during a previous semester/term. Students who need to withdraw during the current semester should request a Regular Term Withdrawal.

A timely medical withdrawal for a previous semester must be made within sixty (60) calendar days of the last day of class for the semester/term for which the withdrawal is requested, with any supporting documentation submitted within thirty (30) calendar days of initiating the medical withdrawal request. The student must submit the Student Request for Voluntary Medical Withdrawal form and the Licensed Provider Recommendation for Medical Withdrawal (forms available at TBD website). For all approved retroactive medical withdrawals, the effective date shall be the last day of class for the semester/term in question.

Voluntary Medical Withdrawal Requests submitted outside of the semester in question, and beyond the required sixty (60) day deadline must have clearly documented extraordinary circumstances in order for the request to be considered. Extensive documentation (such as extended hospitalization and/or extensive, required rehabilitation, etc.) must be submitted to the SHS and must be related to the reasons for the medical withdrawal and to the circumstances that prevented a timely request.

After appropriate SHS personnel have deemed a medical withdrawal request eligible for consideration, a designated
SHS physician handles all medical withdrawal decisions on behalf of the University. The designated SHS physician, on behalf of the University and, where appropriate, in consultation with relevant University personnel, will conduct an individualized assessment of the student’s situation before deciding to approve or deny the request and determining the effective date of the withdrawal. Once a decision is rendered, SHS will notify the Office of the University Registrar (for undergraduate students) or the Graduate School (for graduate students). Upon notification by SHS, the University Registrar/Graduate School shall process the withdrawal (if approved) and notify the student of the outcome within ten (10) business days.

Medical Withdrawal Documentation

A student must fully and accurately complete the Student Request for Voluntary Medical Withdrawal request via BlazerNET.

1. A student must have a licensed medical provider (physician, nurse practitioner or physicians assistant, or mental health professional) submit a completed Licensed Provider Recommendation for Medical Withdrawal form (available at TBD website) via the Patient Portal, or if there is time by mail to UAB Student Health & Wellness Center, Medical Withdrawal, 1714 9th Avenue South, Birmingham, AL 35294. The licensed medical provider shall be a provider who is currently treating the student for the condition(s) prompting the withdrawal request and is responsible for obtaining permission from the student to provide the documentation and to discuss the medical conditions, if needed, with the appropriate University personnel. If the University, in its sole discretion, determines that an extraordinary or emergency situation exists, alternative documentation may be requested and considered.

2. A student may also attach to the student request form any further supportive documentation from the instructor of record for the courses within the semester/term for which a medical withdrawal is requested.

3. In the event that the student’s medical condition so incapacitates the student that the student cannot act on his or her own behalf, the student’s parent, legal guardian, or spouse should contact the UAB Student Health & Wellness Center at 205-934-3581 for further guidance.

Handling of a Medical Withdrawal

Once a Medical Withdrawal has been approved, the Office of the University Registrar/Graduate School will assign a grade of “W” on the official transcript. The student is still responsible for any tuition and fees associated with the term/semester in which the medical withdrawal applies.

Return to the University Following Medical Withdrawal

It is the responsibility of the student to ensure they are medically prepared to re-enroll. While eligible to return in a future term after requesting a medical withdrawal, subsequent medical withdrawal requests for the same condition will not be approved within 24 months of the initial request. Exceptions may be considered in situations where documented extraordinary circumstances are available.

Students who do not return within one academic year will be made inactive and must reapply for admission. In cases where students need more than one year to return following a medical withdrawal, a Leave of Absence may be requested.

If a student voluntarily withdraws from the University while academic honor code, non-academic, or Title IX charges against him or her are pending, permission for readmission will be granted only after the charges have been resolved.

Title IX Exception

The University of Alabama at Birmingham Division of Student Affairs oversees the University’s compliance with Title IX of the Education Amendments of 1972. The Title IX Office is responsible for the Title IX Sexual Violence and Sexual Misconduct Policy and related procedures to foster a campus community free from sexual misconduct which includes gender-based assault, harassment, exploitation, dating and domestic violence, stalking, as well as discrimination based on sex, sexual orientation, gender identity, and gender expression, and related retaliation.

The Title IX Office provides reasonable protective measures and interim support, which may include a Medical Withdrawal. In Medical Withdrawal submissions involving the Title IX Sexual Violence and Sexual Misconduct Policy, the withdrawal will be handled outside of this policy and in conjunction with the Title IX Office. For more information, please visit https://www.uab.edu/titleix/.

Questions

For clarification or more information, undergraduate students should contact the Office of the Registrar. Graduate Students should contact the Graduate School.

Withdrawal Refund Policy

Effective Fall 2019

The University is required to contract for a substantial amount of goods and services in advance. Most of these expenses are fixed and are not subject to change on short notice. Under certain circumstances, refunds are available to students who officially withdraw from the University. A student desiring to withdraw from the University must complete the withdrawal process in BlazerNET.

This policy applies to all terms including Fall and Spring semesters, Fall and Spring 7-week sessions, and Summer terms.

If a student withdraws from all courses in a term, a portion of or all financial aid may be returned by the University to the original provider(s) of the funding. In such cases where the return of funds creates a balance due to UAB, the student will be required to reimburse the University for those returned funds and any associated fees.

The following schedules will dictate the amount of tuition refunded to the student when the student withdraws from all courses in a term. Fees will not be refunded after the last day of the add/drop period. https://www.uab.edu/students/one-stop/classes/add-drop-and-withdrawal-policy.

Withdrawing from a Course

To avoid academic penalty, a student must withdraw from a course by the withdrawal deadline shown in the academic calendar and receive a grade
of W (withdrawn). The withdrawal period ends at approximately 75% of the academic term. Failure to attend class does not constitute a formal drop or withdrawal.

Withdrawal from courses can only be accomplished using official procedures. The official withdrawal must be completed online in BlazerNET. In extraordinary circumstances, if it is impossible for the student to withdraw online the student may mail a withdrawal letter to the Office of the Registrar. The official date of withdrawal will be the date the letter is received in this office. If the official date of withdrawal is after the last day to drop without paying, no tuition or fees will be refunded.

For financial aid purposes, the date of last class attendance will be the official date of withdrawal unless otherwise documented. Note that individual schools may have withdrawal rules in addition to the above.

Withdrawal from a course while a possible violation of the Academic Honor Code is under review will not preclude the assignment of a course grade that appropriately reflects the student's performance prior to withdrawal if the violation is substantiated.

Exceptions
All students are responsible for adhering to UAB’s academic policies, as published in the UAB Undergraduate Catalog. The Provost may make exceptions to policies. Exceptions will only be made in extraordinary circumstances. Only in cases of a call to active military service, can a student qualify under this policy for either administrative or academic withdrawal from courses from that semester. In such instances, students requesting an exception to policy must provide the cause specific documentation in order for the request to be considered.

Requests are evaluated only from written documentation and not through appointments or telephone calls. Information and forms are available online. (Please note that grievances of an academic nature are addressed through the Academic Grievance Policy). Requests for exceptions must be submitted at the earliest possible time. Consideration will not be given to any request submitted later than the term immediately following the term for which the exception is being requested. A full reduction in tuition and associated fees will be made for appropriately documented serious illnesses or military service activation, which preclude a student from continuing his/her studies at UAB. For students receiving refunds, such refunds will first be applied to any outstanding obligations and to any scholarship, grant, or loan the student has received for that term. A student who is receiving any form of Federal Title IV Financial Aid will be liable for any unearned funds received as determined by the Federal Return of Funds Policy (check with Student Accounting Office for details.)

Failure to adhere to the published drop and withdrawal deadlines (as outlined in the UAB Catalog and the UAB Class Schedule) does not qualify under this policy as an Academic Exception.

Financial Aid to Students
Students should apply for financial aid if they need assistance in paying for the cost of education. Students applying for financial aid are considered for all programs for which they are eligible. Assistance generally takes the form of a combination of grant, loan, and employment. The amount of the award is based on the financial need of the student, taking into consideration the student’s total expenses and the family’s financial circumstances. A nationally recognized method of analysis approved by the federal government is used to determine the family’s ability to pay toward the cost of education.

Applying for Financial Aid
Students are encouraged to complete the Free Application for Federal Student Aid (FAFSA) available online at http://studentaid.gov. The earliest students can submit the FAFSA is October 1. Instructions and UAB forms are available online at https://www.uab.edu/students/paying-for-college. Since some of the aid programs have limited funding, students are encouraged to submit all required forms to the financial aid office by December 1 for financial aid for the following fall to ensure they receive aid from all programs for which they are eligible. In order to meet the tuition and fee deadlines, completed applications should be submitted no later than 30 days prior to the tuition due date. Students must reapply for financial aid each academic year.

Since procedures and rules are subject to change, students interested in applying for financial aid can receive further information online at www.uab.edu/financialaid.

**Academic Common Market**
The Academic Common Market is an interstate agreement among selected southern states for sharing academic programs at both the baccalaureate and graduate levels. Participating states are Arkansas, Delaware, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, Oklahoma, South Carolina, Tennessee, Texas, Virginia, and West Virginia.

Applicants who are non-Alabama residents and wish to enroll at UAB as an Academic Common Market student must be accepted for admission to a UAB program in which the applicant’s home state has obtained access through the Academic Common Market.

- Certification of eligibility must be received prior to the first day of class for the first semester of enrollment at UAB.
- If a student changes his or her major or residency classification after being approved for ACM, the student will be reclassified and charged the non-resident rate of tuition.
